OPENING PRAYER

Praise our heavenly Father who sees us, knows us, loves us, and provides for us. Ask Him to give you everything you need in this time to honor Him.

OPEN YOUR BIBLE: Matthew 6:25-34

DISCUSSION QUESTIONS (HEAD - HEART - HANDS)

KIDS

• Do you ever have to worry about having food or clothes? Who makes sure you have those things?

• You probably said that your parents make sure you have food and clothes. That is true – because your parents love you and provide for you. But ultimately, it is God who provides for us. The Scripture today tells us this truth! Ask your parents to tell you of a time when God provided for them or for your family.

• Go outside and look at the birds and the plants. Who provides for them? God does! God cares and provides for you! For now, He provides through your parents. When you get older you will see how He provides for you in so many ways. Thank Him today for His provision!

TEENS

• It's easy to say "don't worry," but it's difficult to obey that unless we find something else to do. What three commands does Jesus give in vs. 26-33 that can shift our focus away from worrying?

• What do you worry most about? What are you wanting in those situations and how does that reveal idols in your heart?

• Plan now to take three minutes each day to do two things - look at God's creation and spend time with Him in prayer. Doers of the Word will be blessed (Luke 11:28).

ADULTS

• How does serving God instead of money (6:24) and seeking His kingdom and His righteousness (6:33) relieve us of anxiety about our well-being?

• Jesus doesn't tell us to do things for God to receive blessings but to seek Him and trust He will provide. How are you tempted to work and worry instead of trusting and resting?

• Our Father knows our needs and is able to meet them. What area of your life do you need to entrust to His sovereign care this week?
